Board of Directors Meeting

May 15, 2014

The meeting of the Bristol Park Home Owners Association was called to order at 7:10pm at the Bristol Park Pool.

Members present: Scott Reygers, Brett Martin, Dave Patrick, Lanny David, Janice Morgan, Listina Reygers, Kathleen Joslin.

1. Discussion : Bathroom floors at the pool should be cleaned and resurfaced. Inquiry into companies and costs that perform this service will be looked into.
2. Discussion: There should be a cover made for the back flow pit located in the pool pump room. Without a cover someone could inadvertently step into the pit which has considerable depth. Dave Patrick volunteered to build a cover from wood.
3. Discussion: Edmond Utilities should be called so they can bring out the two trash carts and one recycle cart for the pool area to be used during the summer. Lanny David volunteered to notify Edmond Utilities.

The meeting was adjourned at 7:55pm.
