## BP HOA Board Meeting Minutes

### In Attendance:

Dave Patrick  
Janice Morgan  
Alicia Trevizo  
Wes Hall  
Craig Booker  
Lanny David

- Reviewed last months minutes and financials. Both approved.
- Discussed website. Timeline for update will be submitted to board by Sept 1.
- Discussed pool party. Alicia has DJ set up, bounce house and pizza ordered. HOA will provide sodas and water.
- Discussed pool parking lot lighting installation. City of Edmond quoted over \$1900 for installation of a street light on the south side of the parking lot approximately halfway between the east and west borders of the pool. There would be no installation charge if the light was installed within 10 feet of the power supply, which is near the basketball goal. The board decided to rewire 2 of the existing lights at the pool to a photo cell and then determine if additional lighting is required.
- Discussed homeowner complaint regarding mowing of the retention area and the area south of the fence on the properties on Napa Valley Rd east of Bristol Park Drive. These 2 areas will be mowed with the next 2 weeks.

Adjourned at 7:48pm
